COMMITTEE NOT TO BACK RACE

Fourth Fireworks Planned From the C. & H. Field

If the motorcycle race proposed as a feature of the celebration of the Fourth in Red Jacket this year is conducted, it will be without the sanction or support of the sports committee in charge of the celebration. This was decided at a meeting of the committee yesterday. The fact that the streets of practically every village in the county which is celebrating would be filled with people, through which the cyclists would have to pass, would make the danger of accident so great that the race would be impractical in the opinion of the committee. Whether the proposal will be dropped entirely or conducted under private auspices has not been decided.

The committee decided on a big sport program, principally for the children, including slow horse race, foot races, bicycle races, pie eating contest, penny scramble, greasy pole contest and other big features, for which suitable prizes will be awarded. In addition there will be baseball contests at the Athletic park morning and afternoon.

It has been decided that the fireworks display, the finest in the upper peninsula, will be set off this year by members of the Red Jacket fire department from the C. & H. field, between Red Jacket proper and the mine location. The place is an ideal one and will make it possible for residents of the entire community to witness the display.

PRETTY CALUMET WEDDING.

Miss Charlotte Hoehner Becomes the Bride of Will Wills.

At the rectory of Christ's Episcopal church at 7 o'clock last evening, the marriage was solemnized of Miss Charlotte Hoehner, daughter of Mr. and Mrs. Charles Hoehner of Rockland street, Hecla, to Will H. Wills of Calumet. The ceremony was a very quiet one and was witnessed only by immediate relatives of the bride and groom, Rev. J. A. Tenbroeck, pastor of Christ church, officiated.

The bride was becomingly attired in white silk and wore a white picture hat trimmed with roses. She carried a bouquet of white bridal roses. Miss Rose Hoehner, her sister, was the maid of honor and wore a gown of white and pink. Oscar W. Bruns attended the groom.

An interesting feature of the wedding is the fact that it occurred on the twenty-eighth anniversary of the marriage of Mr. and Mrs. Charles Hoehner, the parents of the bride.

Mrs. Wills is a well known and popular Calumet young lady, having been quite active socially. Mr. Wills is employed at the Superior engine house of the C. & H. Mining company. They will be at home to their friends in Laurium about the middle of July.

STRUCK BY SKIP; DEATH FOLLOWS

John Macario, Timberman, Victim of Accident in the C. & H.

The death occurred about 4:30 o'clock yesterday afternoon in the C. & H. hospital of John Macario, who had been injured about three hours previous while working in the No. 5 shaft of the C. & H. mine. The decedent was employed as a timberman and was working in the shaft. While there were no eye witnesses of the accident, it is supposed he mistook one of the hoisting signals, and accidentally got into the way of a descending skip. The accident occurred between the 54th and 55th levels of the No. 5 shaft. The injured man was removed to the C. & H. hospital, but death followed as above stated.

Coroner William Fisher was notified of the accident and impaneled a jury consisting of Norman McAuley, Kenneth McLean, Frank Gillet, Fred LeBeau, M. C. Shea and Andrew McKean. After hearing the testimony of witnesses a verdict of accidental death in accordance with the above was returned.

The decedent was a single man about 25 or 26 years of age. Funeral services, while not definitely arranged, probably will be held on Sunday from the St. Mary's Italian church of Calumet.

COMMERCIAL CLUB BANQUET.

Big Function to Be Held in Light Guard Armory Tonight.

Business men of copperdom will come to Calumet this evening to attend the first annual meeting and banquet of the Copper Country Commercial club. Covers will be laid for more than four hundred guests and the facilities of the light guard armory, where the event will be held, likely will be taxed to the utmost. Chef Charles Salassa of the Miscouabuk club will be the caterer.

The principal speaker will be Lou Beauchamp, world-famous humorist. Attorney A. E. Petermann will be the toastmaster and he will call upon prominent business and mining men for responses. The banquet will follow a business session at which officers and committees will be elected, reports of the past year will be presented and an outline of the prospects for the copper district presented.

Mr. Beauchamp arrived at noon today and spent the afternoon in a tour of the district. Interest in his address will be increased because of the fact that he is the president of the Commercial club of Hamilton, Ohio.

NEW SIGN POSTERS.

The Calumet Signboard company has received the fourth installment of educational pictures issued by the National Signboard association, in accordance with the arrangement announced about the first of the year.
